Nationals Notes...

5 Stages - Plan for it

This year we will use 5 stages. One for each level (with Adv and Champ teams sharing a stage).

Please plan ahead so that you have teachers at each stage with your dancers so the stage is not waiting for a director running from stage to stage. If a team needs to wait, we will do our best, but be aware when one stage is waiting, it creates a domino effect. Never good when we have so many crazy things all at once.

PLAN AHEAD so that you are not having to run around. Have different digital music players ready at each stage. Have teachers at each stage so you don't need to run back and forth or make stages wait. And catch your breath. Relax and enjoy your time!

Schedule designed to maximize your dancer's time

We're designing the schedule to maximize your dancers' time on stage as well as time to play in the park. You'll see!

Director's Packets

Please pick up your Director's Packet at the Registration table at the Canyon Pavilion. The packet will have a personalized program with the times for only your routines, a director's badge along with all the information you will need.

Numbers

We will not have you wear a number for any Teams or Long Duets. Only Freestyle, A Cappella, Short Duets, and A Cappella Duets will need to wear a number.

SAVE YOUR NUMBER! This number is your All-American Number as well. Don't throw it away.

Competition music!

You have a great choice this year.

Bring your music on a digital player or upload it.

- 1) If you bring your own music, plan on having 5 digital players if you need to be at different stages at the same time.
- 2) If you upload your music, make sure and upload it at the speed you want it to be played at.

CD players will not be at this event, please plan accordingly by bringing your music digitally.

Awards

We have a medallion for each of your dancers – directors may pick them up with their packet or students can pick them up individually. Awards must be picked up BEFORE they leaving Lagoon at Awards table. Age division results will be posted. Overall awards are announced in the Afternoon show (Novice - Champ) or the Saturday Night Show (Pro and National Champions).

Additional information located online at www.americaonstage.org - 801-224-8334 – competitions@americaonstage.org

This is for directors to make this day great for you with a snack, and a break from the hectic time of competition! It is located at the Canyon stage. Nationals Reminders!

1. Pre-Register for All-American Dance Off

Skip waiting in line and register early for the All-American Dance Off. All who are already qualified (pro dancers) may register online at www.americaonstage.org. This is only available until the FRIDAY before Nationals. Register now. All Champ and Adv qualifiers may register once qualified at Nationals (Champ 1st and 2nd place in any category and Advanced 1st place qualifies you to dance off all you competed).

2. All-American Personal History!

Check out our newest online addition – YOUR ALL-AMERICAN PERSONAL HISTORY!

See all your years, what level you won, what categories you won, and if you won in All-Star Freestyle. See how close you are to Hall of Fame status, and how close to 6 years (new jacket).

1. Go to www.americaonstage.org
2. Click on National Championships and then All-American Personal History
3. Click on your name and see your personal history!

If you notice something incorrect or missing, Email us at competitions@americaonstage.org. Please include proof of missing years such as pictures of jacket with years, etc.

Hall of Fame requirements:

1. A person must have 10 years All-American of which 5 years must include All-Star Freestyle.
2. A person may qualify for the Hall of Fame by winning 10 years of All-Star All-American in any category.
3. A person may qualify for the Hall of Fame by winning 20 years of All-American in any category with 5 years being All-Star in any category

This rule and designation began in 2004.

We place the top 10 freestylers in All-Star All-American and the next 10 in All-American. You can be All-Star All-American and not have won All-Star All-American in Freestyle. Once you score high enough in any category as All-Star All-American, you are awarded All-Star All-American and we announce all the categories you won (including those you won either All-American and All-Star All-American). However, being All-Star doesn't always mean All-Star Freestyle.

3. Two Awards Shows!

We are going to have just TWO Awards shows this year.

1. **Jr Awards Spectacular** - ~5:30 pm Canyon Pavillions
All the Novice through Champ Overall Teams, Overall Studios, SUPERStars, Overall SUPERStars, Master Soloists and Jr. All-Americans!
2. **Saturday Night Awards Spectacular:** ~8:00 pm
All-Americans, MVPs, and MVP dance off and Pro awards.

4. Early Start times Friday!

Last year we were able to streamline our age divisions and dance off to end early enough to get home and get a good nights sleep! It was awesome! And all that with one of our largest Nationals turnouts ever! We plan on it again. Starting at 10:30 am on Friday, we will kick off the largest dance off in the nation to determine our All-Americans and MVP National Champions! It's going to be great! See you there!
